

NeST - R/C

Northeast Side Taildraggers R/C Aviation Club

COME FLY WITH NeST – whether you're new or experienced! Spectators are welcome!

- ➔ We fly electric & liquid fuel airplanes, jets, gliders, helicopters & drones on our 422' x 50' geotex runway (sorry, no turbines at this time). A parallel grass runway is in development.
- ➔ Field amenities include 120 VAC, Wi-Fi, weather station, video cameras, running water (non-potable), shelter, year-round porta-potty, gas BBQ and friendly people.
- ➔ FRIA field, Remote ID is not needed. Max. altitude is 1200' AGL. AMA Club Charter # 5037.
- ➔ Save time, money & frustration! Since 2011 we've helped new pilots in all aspects of model aviation, from first model selection and setup to hands-on flight training at our field.
- ➔ Members get a 7% discount at the Castleton HobbyTown store. Support your LHS!
- ➔ Free guidance on how to get started in R/C model aviation.

MEMBERSHIP – see our website below (AMA membership, FAA registration & TRUST required)
